

WARNING REGARDING ANIMALS IN BUSINESSES

As of January 1, 2017, **it is a *crime* in Colorado for an individual - after having been warned - to intentionally misrepresent an animal as a service animal.**

Service animals are allowed in businesses.

A service animal is a dog or miniature horse that is *individually trained to perform a task or service for a person with a disability*.

Pets and assistance, companion, and emotional support animals may not be individually trained to perform a task or service for a person with a disability, but may help with an aspect of the person's disability. These animals **are not allowed in businesses**.
